

The No Time Boxed Set Featuring Michael Collins: No Time To Run; No Time To Die; No Time Hide (Legal Thriller Featuring Michael Collins)

All three best-selling legal thrillers featuring Michael Collins are now available in one boxed set for one discounted price. Like John Grisham and D.W. Buffa, award-winning author J.D. Trafford created a smart legal thriller that keeps the reader turning pages. J.D. Trafford is the winner of the National Legal Fiction Writing Competition for Lawyers, a writer of merit according to Mystery Scene magazine, and his debut novel was selected as An IndieReader Top 10 Best Seller Pick. The series begins with No Time To Run. After Michael Collins has burned his suits and ties in a beautiful bonfire, he leaves New York and takes up residence at Hut No. 7 in a run-down Mexican resort. He dropped-out, giving up a future of billable hours and big law firm paychecks. But, there are millions of dollars missing from a clients account and a lot of people who want Michael Collins to come back. When his girlfriend is accused of murder, he knows that there really isnt much choice. In No Time To Die, Michael Collins is back at the Sunset Resort and Hostel with the other misfits and drop-outs. He reluctantly agrees to find a local boys missing father and soon finds himself back in the United States, harassed by the local sheriff, hunted by the FBI, and trying to win the biggest lawsuit of his life against all odds. And finally, Michael Collins is brought to justice in No Time To Hide. Collins is indicted, arrested, and must account for his past. The only question is whether Michael Collins has one more trick up his sleeve or whether its all over. No Time To Run has been an Amazon Top 100 bestseller and a best-selling Amazon Legal Thriller.
