

The Sheiks Command (Mills & Boon Vintage Romantic Suspense) (Sahara Kings, Book 1)

Aid worker Nikki Hunt only wanted to ask Sheik Zakir Al Arif for safe passage across his war-torn country. She never expected to be taken prisoner by the handsome, secretive sheik. Or to be attracted by the lust his dark stare set off in her--a lust as hot as the Sahara. Desperate to thwart a coup, Zakir was forced to hold the beautiful stranger captive--though what he really wanted was to take her to his bed. In close quarters, Nikki and Zakir succumbed to their explosive desire--until an enemy within forced an act of betrayal that could tear them apart forever....

[\[PDF\] Likre's a lot going on in the 87th Precinct this spring, and none of it is good. Jumpers on building ledges, a salesman torn apart by an explosion, and to cap it all off, they find the dead, half-naked bodies of Irene Thayer and Tommy Barlow in bed together. It has all the earmarks of a double suicide: a note, empty liquor bottles, closed windows, and the gas on the stove turned up. At least this one's open and shut. Or is it? Something doesn't sit right with the detectives at the 87th Precinct, so Steve Carella and his partner Cotton Hawes decide to give the case a once-over. Routine checks can turn up interesting facts. Like Irene's mother, who has an insurance policy on her daughter. Or Irene's grieving, cuckold husband who's riding the ragged edge. Even Tommy's brother. Problem is, in order to find a killer, you have to prove there was a murder...A complex, captivating thriller that probes the deep recesses side of hardened detectives.](#)
