

## Madness and Murder (Jackson mystery series Book 1)

Homicide detective, Mac Jackson is on a collision path with a civilian in his hunt for a killer. A lack of evidence leaves him frustrated. With the body count rising, he questions his own ethics when he considers risking the life of an innocent woman to put the killer within reach. The stakes are high if his gamble fails. Jessica Croft begins a new life in San Francisco, ninety miles from the sinister secrets and the madness that destroyed her family. She hopes to find tranquility, maybe even love, but her chance for happiness is threatened when she finds herself the target of a madman. Unwilling to live a life of fear, Jessica takes a bold risk to draw him out; unaware of the trap he has already set for her.
