

Microwave Cooking Properly Explained: With Recipes

Discover how your microwave can become a valuable part of your kitchen team, working together with your hob, grill, toaster, kettle and, on occasions, conventional oven. Whether you are a new microwave owner or an experienced user, Annette Yates will help you get the most from your microwave. The recipes she includes cook successfully in a variety of microwave ovens and all have been tested and acclaimed by her family and friends. Since its first publication, Microwave Cooking Properly Explained has become established as the standard work on basic microwave cooking.
