

Morgue Drawer: Clink or Cooler?

Amateur sleuth and restless spirit Pascha gets the chance of a post-lifetime when a reporter turns up dead. Detective Gregor Kreidler - a friend of Pascha's crime-fighting partner, coroner Martin Ganswein - tops the list of suspects for the murder of Susanne Hauschild, who also happens to be Gregor's ex-wife. Martin already has his hands full with his girlfriend - who's ready to give birth any day - and he's too distracted to comb the streets, so Pascha decides to play ghost cop with gusto. He discovers that Susanne had been investigating a cluster of mysterious deaths at a retirement home before her own death. And retracing her steps leads Pascha to a shady nightclub owner with his own reasons for evading the law. With his unique ability to do detective work undetected, can Pascha solve the case?
