

Night Terrors 1 1/2

1 1/2 times more thrills, chills, and blood spills. Besides all of the vampires, the werewolf, the zombie, the flesh-eating, Alpine maniacs, and so much more of the 1st installment, enjoy tales of undead body snatchers, a crazed witch hunt that led to that of Salem, plus 11 very true stories of the strange, eerie, and macabre. Get a glimpse of what its like to come from a family that is cursed to have visions of the dead and contact with them. Sleep is futile. Separation only drives the forces of the dark closer. Find out what its like to be haunted by those that know no rest!
