Marks Not Gay [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, BDSM, sex toys] Mark Forest decides to sell his tattoo shop after he inherits his granddads auto shop. When he glides down the highway on his motorcycle to visit his friends after his granddads funeral, he finds himself in a small town filled with shape-shifters. Caden McQueen is only ninety years old and the youngest of the timber wolves, but he holds his own as a sentry who guards the mates residing in Alpha Mavericks home. Little does he know that Tangees very straight friend who blows into town for a few days will turn out to be his mate. After Caden chases his fleeing mate into the city, hes attacked by rogue vampires and left for dead. Even so, his biggest problem may be how to get a guy so deep in the closet that he doesnt even know hes gay to come out. ** Nutter Nero [Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, sex toys, bondage] Electronics expert Nero Credence suffers from germ phobia with a touch of ADD. Add a sprinkle of OCD, and then send him to a house full of wolf shifters and watch him go. Gunnar Sadena is the most laid-back wolf you could meet. He laughs a lot and hardly ever gets angry. But Gunnar is baffled when a five foot human shows up at the front door, telling him hes there to slay Rickys dinosaurs. Who the hell is Ricky, and why would he have dinosaurs? Amused, Gunnar allows the nutter to enter his home. Nero turns the pack upside down as his neurosis kicks in. At six foot five, the wolf has a hard time bowing down to this pint-size terror. Gunnar thinks the quirky man is nuts, but hes also his mate. Note: Each book in Lynn Hagens Brac Pack collection features a different romantic couple. Each title stands alone and can be read in any order. However, we recommend reading the series in sequential

order. ** A Siren Erotic Romance
