

## What Lies Below

**WHAT LIES BELOW** Genre: mystery/thriller, short novel Pam has been having recurring nightmares lately, and theres something buried in those nightmares ... a terrible secret trying to surface. Pam was eight years old whentwenty-four years later, Pams father is dying. She gets a strange phone call from him ... he swears Pams mother has come back. Pam knows her father is delusional from his illness, and she knows that she needs to see him before he passes away - she needsan in the woods watching them; her fathers nurse swears theres a ghost in the house; and Pam is still having nightmares ... and theyre getting worse. Theres a gold key in the dream, a key that will unlock the horrifying secrets ... if she can find it in time.
