

The Perfect Stranger

In New York Times bestselling author Wendy Corsi Staub's new thriller, one woman finds herself in the crosshairs of a twisted predator who might just be masked behind a familiar screen name ... During the darkest period of her life, Landry Wells found solace in a group of bloggers who had been in her shoes and lived to tell the tale. She's shared things with her online friends that even her husband and children didn't know. Things that now, looking back, make her uneasy. One of the bloggers is dead, victim of a random crime or was it? Did she trust too easily; reveal too much? At the funeral a thousand miles from home, Landry is about to come face to face at last with the others. These women are her closest confidantes in the world: they understand her; they know everything about her and one of them might be a cold-blooded killer ...
