

Jur: A Story of Pre Dawn Earth

A young French archeologist disappears without a trace in the jungles of Africa. An American adventurer with time on his hands volunteers to go find her. Through the high thrills of adventure and the adrenalin-pumping lows of terror, these two must unite in their fight to survive the jungle as they attempt to find their way back to the world they left behind and discover a love like no other. Will they succeed? Only time will tell.
