

## Manhattan Night: A Novel

Previously published as Manhattan Nocturne and now a major motion picture starring Adrien Brody, Yvonne Strahovski, Campbell Scott, and Jennifer Beals A New York Times Notable Book Porter Wren is a Manhattan tabloid writer with an appetite for scandal. On the beat, he sells murder, tragedy, and anything that passes for truth. At home, he is a dedicated husband and father. But when a seductive stranger asks him to dig into the unsolved murder of her husband, he is drawn into a very nasty case of sexual obsession and blackmail?one that threatens his job, his marriage, and his life. Colin Harrison's Manhattan Night is a brilliantly drawn tableau of the gritty, gaudy city and a thrilling literary noir.
