

The Laws of Our Fathers

In *The Laws of Our Fathers*, the latest drive-by shooting in a notoriously drug-plagued housing project has taken the life of an unusual victim: the ex-wife of a prominent politician. The case that ensues reunites a once like-minded group of men and women whose views have evolved considerably since the 1960s. New York Times best-selling author Scott Turow is renowned for his thrilling, thought-provoking courtroom dramas.
