

## Romantic Interludes (Talking Dog)

Book 3 in the Talking Dog series. New Zealand cop Richard Morgan is settled and perhaps a tad boring. Maybe hes a little lonely since his wife died, but theres no need to change a lifestyle that works for him. Small-town life suits him perfectly. Intrepid alien explorer Hinekiri walks through life alone, eager to explore uncharted worlds and try new experiences. Shes arrived on Earth to fulfill her ambition to witness the wildebeest migration in Africa. Unfortunately, she has Torgon mercenaries hot on her trail, eager to steal her valuable galaxy charts, and a niece who wants to spoil her fun. From the minute Richard unwittingly finds himself in bed with the beautiful alien temptress, its hard to catch his breath. Suddenly hes lusting after Hinekiri and discovering theyre very compatible indeed! Richards flying in spaceships, talking to dogs and fighting Torgon mercenaries in his spare time. Danger and impulsive are his new middle names. Hes having loads of fun, but soon Hinekiris departure date arrives. Richard realizes he wants more than a romantic interlude in Africa. Now all he needs to do is persuade the determined Hinekiri to his way of thinking Note: We recommend first reading Talking Dogs, Aliens and Purple People Eaters.
