

# Romeos Way (A Mike Romeo Thriller)

Theres a way thats right and a way thats deadly. Then theres Romeos way. I dont want anybody bleeding to death, okay? I said. I think your problem is education. Theres just no discipline anymore. You have to know there are consequences for bad behavior. Without that, society falls apart. Baton Guy croaked, I cant breathe. You just cant go around doing this sort of thing, I said. It isnt right. Now, one of you is bleeding pretty badly and wont be riding a bike anytime soon. The other one still needs to learn, am I right? Dont kill us, Knife Guy said. Mike Romeo, the former cage fighter living low in L.A., doesnt look for trouble. He doesnt have to. It comes after him. So when hes hired by a California senatorial campaign to do undercover work, Romeo doesnt have any illusions. Especially when his duty takes him to San Francisco. But as Romeo gets closer to solving the mystery of who is behind the hit job on an honorable man, things heat up in the City by the Bay and between Mike and a beautiful political operative. Until a bullet nearly takes him out for good. Now all bets are off. Because if theres one thing Romeo wants, its justice. And hes going to get it his way.
