Savaged

From Amazon Bestselling Author Nacole Stayton, comes a romantic-suspense tale about deception, redemption and the power of unbiased love... The twist of a knife shredded Niko Kincaids world all around him, leaving him with two choicesaccept his fate and die, or fight to live. He chose to fight, but the aftermath became a daily reminder, carved into his once flawless flesh. Despite years of self-imposed solitude, Niko hungers for companionship and suffers from an aching loneliness that the darkness cannot satisfy. He temporarily soothes his pain with women, hired women. Their only purpose is to service him. Easy. He didnt expect a complication like Cambree Evans, but desperation corrupts even the most innocent. When emotions blend with lust, will Cambrees softness and ability to look past Nikos flaws be the one thing that releases him from his own personal hell? Will the monster in the dark prove that his savaged heart is worth saving? ***Recommended for ages 18+ due to mature themes and subject matter.***
