

## Selfies: ELM Anthology #2 (ELM Anthologies) (Volume 2)

Selfies aren't just for kids. See how a baker's dozen senior writers tackled the prospect of selfies in the second ELM fiction anthology. Here are thirteen riveting tales, the product of an insanely difficult challenge: write, critique, edit, revise, format, publish \*and\* distribute a complete book -- in eight weeks. Edited by veteran novelist, Josh Langston, this anthology more than meets the challenge. No matter what your taste in fiction, this collection has something for everyone. From romance to mystery, westerns to fashion, and pathos to humor, *Selfies* will occupy a comfy spot on your bookshelf.
