

Sherlock Holmes and the Adler Papers

In this highly thrilling mystery, Sherlock Holmes and his companion Dr Watson embark on a mission to find a stolen photograph in order to save the King of Bohemia. A year prior to this, Holmes and Watson had been on a similar adventure, trying to retain this same photograph from the grasp of the clever Mrs Norton (then Miss Adler). However, with that mystery resolved to the satisfaction of the King, the original photo has now been stolen from Mrs Norton by Karl, his illegitimate brother, and his cousin, Gottfried who would inherit the throne should anything happen to the current King. The photograph shows evidence of a scandal that will threaten the idea of a peace treaty to be signed by Scandinavian royalty. Unless the Bohemian King abdicates from the throne, the photos and letters will be shown publicly, the Scandinavian king would not then sign the treaty and as a result there would be a terrible civil war. Mrs Norton, the subject of the picture, leads the of men on a chase that is seemingly simple, but as soon as Holmes and Watson arrive in Bohemia, there are complications and a thread of lies that make it a harder for Holmes and Watson to get to the bottom of the problem. It is a journey that both Holmes and Watson find to be full of twists and turns right until the very end. The question is, can the two men solve the crime in time before all enemies of the King rise to power? Sherlock Holmes and the Adler Papers is a thrilling mystery from bestselling author John Hall. Praise for John Hall: A treat for any Holmes fan. - Tom Kasey, best-selling author of Trade Off. John Hall spent many years in the civil service before becoming a professional writer specialising in crime fiction. His book Death of a Collector won the Sherlock magazines competition for the best new fictional detective. He is also the author of Sherlock Holmes at the Raffles

Hotel and Sherlock Holmes and the Hammerford Will. Endeavour Press is the UK's leading independent digital publisher.
