

## Spy, Spy Away (Never Say Spy)

Book 7 of the NEVER SAY SPY series Middle-aged bookkeeper Aydan Kelly knew pretending to be an experienced secret agent was a bad idea, but it was the only way to protect her lover. Now her lies have caught up to her in the worst possible way: everyone believes them. Armed with nothing but a sleazy porn-star cover identity, Aydan must infiltrate a criminal organization to retrieve a secret weapon prototype. With her lovers life at stake as well as her own, she cant afford to fail. But she has no idea how to succeed...
