Testimony

At a New England boarding school, a sex scandal is about to break. Even more shocking than the sexual acts themselves is the fact that they were caught on videotape. A Pandoras box of revelations, the tape triggers a chorus of voice -- those of the men, women, teenagers, and parents involved in the scandal -- that details the ways in which lives can be derailed or destroyed in one foolish moment.A gripping emotional drama with the pace of a thriller, Anita Shreves Testimony explores the dark impulses that sway the lives of seeming innocents, and the ways in which our best intentions can lead to our worst transgressions.
