

## Straddling the Line (Play by Play)

Haven Briscoe has finally landed a dream job as a sportscaster for a major network. But she hasn't been able to move past the recent death of her beloved father, and its affecting her career. A plum assignment following the daily life of sports superstar Trevor Shay might be just the inspiration she needs ... Trevor will do anything to spark life back into Haven, including letting her into every aspect of his world. The chemistry between them flames higher than one of Trevors home runs and faster than his dashes to the end zone. But as they grow closer, Haven stumbles onto Trevors closely guarded secret, one hes hidden his entire life. And despite his protests, now its Havens turn to put everything on hold to help Trevor. Will he let her in and trust her with a secret that could blow his professional and personal world apart? Contains mature themes.
