Submerged reads like an approaching storm, full of darkness, dread and electricity. Prepare for your skin to crawl. --Andrew Gross, New York Times bestselling author of 15 Seconds Two strangers submerged in guilt, brought together by fate... After a tragic car accident claims the lives of his wife, Jane, and son, Ryan, Marcus Taylor is immersed in grief. But his family isn't the only thing he has lost. An addiction to painkillers has taken away his career as a paramedic. Working as a 911 operator is now the closest he gets to redemption--until he gets a call from a woman trapped in a car. Rebecca Kingston yearns for a quiet weekend getaway, so she can think about her impending divorce from her abusive husband. When a mysterious truck runs her off the road, she is pinned behind the steering wheel, unable to help her two children in the back seat. Her only lifeline is a cell phone with a quickly depleting battery and a stranger's calm voice on the other end telling her everything will be all right. *SUBMERGED has a unique tie-in to Tardif's international bestseller, CHILDREN OF THE FOG.
