

## Moment of Impact

**MOMENT OF IMPACT** In one moment of impact, lives change forever and there is no going back to before. As much as we try or want to, we must always continue to take small steps forward. This pushes us to move through the pain and sorrow for if we lose the will to live we lose that chance for a new beginning. Rene d. Schultz Seven people board a train to Los Angeles. Each one with their own story In that one moment of impact the train crash will change their lives forever. Some will live and some will die, but the catastrophic rippling effect of the crash will leave many lives and families shattered. Take this journey.as lives change forever.
