

Tell the Wolves Im Home

There's only one person who has ever truly understood fourteen-year-old June Elbus, and that's her uncle, the renowned painter, Finn Weiss. Shy at school and distant from her once inseparable older sister, June can only be herself in Finn's company; he is her godfather, confidant, and best friend. So when he dies far too young of a mysterious illness that June's mother can barely bring herself to discuss, June's world is turned upside down. At the funeral, she notices a strange man lingering just beyond the crowd, and a few days later, June receives a package in the mail. Inside is a beautiful teapot she recognizes from Finn's apartment, and a note from Toby, the stranger, asking for an opportunity to meet. As the two begin to spend time together, June realizes she's not the only one who misses Finn, and if she can bring herself to trust this unexpected friend, he might just be the one she needs the most. *Tell the Wolves I'm Home* is a tender story of love lost and found, an unforgettable portrait of the way compassion can make us whole again.
