

## Terri: Women of Valley View #2

Despite a bustling day care center and a new foster child, Terri Hayes hungers for a family of her own. Then a plumbing mishap leaves her homeless and questioning Gods plan. Steve Evanss gracious offer of his basement apartment as a temporary solution is an answered prayer.

Steve is a successful writer and a good father, but Terri is horrified when Steves book research leads him to a harsh confrontation with the parents of her foster child. She needs to distance herself from Steve, but her efforts fall short as his two scheming daughters plot to make Terri their new stepmother. Will harsh words and sneaky plans drive a family further apart and put a wedge between Terri and Steve, or does God have another plan in store?
