

Streetlights Like Fireworks Series: Books 1 - 3

GET ALL THREE bestselling Streetlights Like Fireworks novels (Streetlights Like Fireworks, The Dragonfly Season and Distance). Over 250 5-star reviews on the books in this series! Streetlights Like Fireworks Psychic flashes, haunting visions, missing persons and visits from ghosts. Thats just their first date. When Jack experiences a mystifying event involving visions, voices and spectral visits, he figures theres only one person to help him understand whos calling out to him and why. Soon, Jack and Lauren are off on a road trip of discovery that could provide answers to a mystery left unsolved for twenty years. More importantly, they might even unravel the greatest mystery of allhow every so often someone will accept you for who you are. This book was every kind of wonderful. Bound By Words The Dragonfly Season Psychic visions, visits from ghosts and telepathic connections. Must be time for date two. Nothing prepares Lauren for suddenly connecting with the mind of Vicky Stearns, a girl shes never seen before. Her confusion soon turns to fear when she learns that the girl went missing earlier that same day. When Lauren sets out to unravel the mystery, she knows only two things: This will be her last chance with Jack and her only chance to save Vicky Stearns. Loved, loved, loved this book!! Couldnt stop reading it til it was finished! Yvonne Weaver, Amazon reviewer Distance A ghost who brings visions of fire. A runaway girl on the streets. A psychic who might be lying about someones death. It must be time for Jack and Lauren to get serious. Teenage psychics, Lauren and Jack, find themselves pitted against a ticking clock as they try to rescue a girl the police are searching for, at least one man is hunting, and who another psychic claims to have already seen dead. The world this author creates is amazing. Climb in the VW bus and buckle up you are in for a wild ride! Eclectic, Amazon
