NOTE: Vol. 6 is only available from our shop due to the fact that there is graphic sex, which is against Amazons TOS. You can get it in the Kindle format, PDF and ePub. After his dreamlike night with Asher and Kyranna, Aidans life becomes even more entangled with the Sidhe when he wakes up. His hunt for a job in town takes him further into the Elves domain when he discovers that Soos herb shop is a door into the Dark Earth itself! But it is who will take him to visit that magical realm that undoes all of Aidans defenses against believing himself only human. Sidhe Mage Lord Sevra has plans for Aidan, plans perhaps millennia in the making. In the short story The Last Mage of Liendr, powerful Sidhe Mage Danya Astrian laments the loss of her infant son and wonders if she made the right choice in marrying Zarakiel Vane instead of her one true love and twin brother Kyranna. Though she believes Kyranna to be long dead, she cant help but feel a tense hope in the Troll Market as she senses his familiar energy.
