

The Gentle Grafter

In his book *The Gentle Grafter*, Andy Tucker and Jeff Peters are accomplished con men in the Old West. While they are close buddies and usually work well with each other in their swindles, they are often at odds over just how far to take a defraudation. Jeff was always eloquent when the ethics of his profession were under discussion, as you'll learn in the story you're about to hear. (Description from kbia.org)
