

The Knight of Craps: A Short Story of the Worldcracker Universe

A less-than-honorable knight rolls the dice in the gamble of his life. Aenghel fights in tournaments by day and runs a floating craps game by night. When he's got a free moment, he lusts after his best friend's sister. Danger strikes when the gunfathers of the North demand protection money and he can't pay. With his neck on the line, Aenghel gambles for the highest stakes imaginable. This short story is set in the universe of Felix R. Savage's epic Chronicles of the Worldcracker series.
