

Small Acts of Kindness (Companion Short)

A companion short story in The Shadow Wars set after Necropolis 4: Terminal. Drake Winters is a man lost. For six months, he has relentlessly tracked Enzo, the man he holds responsible for the death of his best friend and brother-in-arms, Trent. But now, Enzo is dead by his own hand, leaving Drake at a loss for what comes next. He thought there would be closure, he thought the pain would lessen, he thought something would be different. But its not. Hes just...lost. Now he only wants to find his way back.
