

## All the Rooms of My Heart

Workaholic Whitney Sheridan takes a leave from her cable news job in New York to arrange the funeral of her beloved Aunt Claudia. She heads to Washita, Texas, with plans to settle her aunts estate and return to New York as quickly as possible, closing the door on the warm memories of her childhood home forever. Local carpenter Adam Burkett isnt fooled by Whitneys stone-faced, cold-hearted facade. He knows that she loved her aunt dearly, and beneath her big city armor is a wounded heart. But while Adam can fix even the things that seem beyond repair, will falling for Whitney mean hell end up broken?
