

## The Society

A New York Times Bestselling Author Emergency medical physician Michael Palmer is recognized by critics and fans worldwide as a master of medical suspense. Now he delivers relentless thriller that slices to deepest fears with surgical precision... Dr. Will Grant, a dedicated surgeon, is outraged by a system that cares more about the bottom line than the patients. Determined to reclaim his profession from the profiteers, he has attracted a dangerous zealot who'll stop at nothing to make Will his ally.
