

The Vampire Diaries: Witch Trapped (Kindle Worlds Short Story)

After Mystic Falls witches Bonnie and her grandmother, Sheila Bennett, use their dark magic to release a coven of vampires buried in a tomb under Fells Church, Bonnie discovers that just about everyone in Mystic Falls -- and beyond -- wants to know their secret. And some will do anything in their power to get it. As fans of the best-selling fiction and popular TV series, The Vampire Diaries know, rescuing the hibernating vampires cost Sheila (Grams) her life. When Bonnie attends her mentors funeral, she cant help noticing a mysterious stranger lurking in the back of the crowd. Shes also befriended that day by Markus, a seemingly warm, empathetic soul mate. Marcus soon becomes her lover ... but is he really Bonnies friend? Before long, our heroine finds herself in a world of confusion and pain after the infamous Damon Salvatore tips off a mysterious stranger, another vampire to her whereabouts. Threatened with deadly voodoo dolls and more, now Bonnie is very much ... a witch trapped. As brought to life by acclaimed horror master, John Everson, Witch Trapped is sure to thrill and delight Vampire Diaries fans everywhere.
