

## Salvation Approaches: 25BF Episode Three (Twenty-Five Bombs Fell Book 3)

Twenty-Five Bombs Fell: Episode Three Of An Epic Five Episode Series Nathaniel Bowens business trip is interrupted by the end of the United States. He escapes the blitzkrieg in a small Georgia town, in a Cold War-era fallout shelter. But as he soon realizes, being trapped in an underground tomb with strangers isnt always a safe alternative. They bring their own bombs; fears, prejudices, and hatreds. Nate struggles to keep his sanity amid the hot and claustrophobia, but cannot hide in obscurity for long. He unwittingly proves pivotal in establishing a leader as well as becoming a key member of the new regime. When the group is forced to evacuate the safety of the shelter, what they find outside in the destroyed town and nation is just as horrible as they imagine. ~~~~~ There are no zombies, cursing, or sex in this series. There is violence and intense situations, but no gore. The Five Episodes Twenty-Five Bombs Fell Away Your Forfeit Life Salvation Approaches The Worlds New Reality Edge of All Creation
