

## The Brigio Three

A compilation of the first three novels of The Brigio Series Parabellum: Jimmy Brigio has spent a decade avoiding his home town of Chicago and his mafia kingpin brothers who inhabit it. But when he gets the call that his sister has been kidnapped and is presumed dead, Jimmy returns to the Windy City to try and find her. But after an altercation with another powerful local mob, he finds hes too late. So now, with a bounty on his head and revenge on his mind, Jimmy is hell bent on bringing down the men who took his sisters life, and the lives of many others...even if he has to do it alone. Parabellum: Part II Jimmy Brigios life has turned upside down. His strategies are shattered in mere moments, as is his life. With no one left in the world to help him and his unlikely partner Sam Ashton finish the crime war they started, they cant help but feel hopeless against their powerful enemy, mafia lord Rico Terez and his extensive underworld empire. Jimmy knows he and Sam must fight this battle until the bitter conclusion. But as time passes on, he cant help but wonder if theres another adversary, waiting for him in the shadows of Chicago. Matanzas: Chicagos criminal empires have fallen into fiery ruin, but Jimmy Brigio isnt done, not by a long shot. Mickey Brigio has fled the city and Jimmys ability to free the world of his brothers horrific business went with him. Now, even with a powerful bounty hunter on his tail, Jimmy will stop at nothing to track down Mickey and ensure he gets what he deserves. But, even with the help of his partner Sam Ashton, and exiled FBI informant Ian Hughes, can Jimmy find Mickey before he has time to build a defense and revive his criminal empire?
