

The Mountain and the Valley (New Canadian Library)

The Mountain and the Valley is an affectionate portrait of David Canaan, a sensitive boy who becomes increasingly aware of the difference that sets him apart from his family and his neighbours. David's desire to write is the secret that gives this haunting story its detailed focus and its poignant theme. Set in the years leading up to World War II and against the backdrop of the Annapolis Valleys natural beauty, The Mountain and the Valley captures a young man's spiritual awakening and the gradual growth of artistic vision.
