

Broken In by My Best Friend

Wanting to surprise his girlfriend, Craig, the star quarterback, instead gets the biggest surprise when he walks in on her being tag-teamed by the football team, guys he'd considered his mates. Shattered and sick with the betrayal, Craig heads over to the only person he knows he can trust: his best friend--a guy so different from him with his quiet, high academic standing. Pouring out the whole mess to Blaine, Craig finds himself seeking comfort in the arms of his best friend, and when a mistaken kiss explodes between them, it explodes into something hard, hot and raw.
