

Transit (Episode 1)

This is Part ONE of a FOUR part serialized novel TRANSIT is the latest high-octane thriller from Michael Robertson Jr, and is being presented in two different reading options: You can choose to read the story in episodic form, starting with Episodes 1-3 (each around 50 pages), and ending with the finale Episode 4 (100 pages). Or, on July 22, 2014, you can choose to read the stand-alone full-length story presented as one continuous novel, as it releases alongside Part 4. The choice is yours! About Transit: THE VACATION IS OVER When six friends return to the U.S. from a relaxing and fun-filled vacation abroad, they eagerly board the airport shuttle that arrived to take them back to their hotel. But it's the wrong shuttle. Tired and grumpy, the group quickly realizes something isn't right with their ride, or the man driving them. After being locked in as passengers for hours, they are separated and turned into prisoners, quickly finding themselves fighting for their lives, and wondering if they'll ever see their homes, or each other again. DO YOU TRUST PUBLIC TRANSIT?
