

## Watch Dogs: Dark Clouds (Spanish Edition)

Explora en profundidad el mundo de Watch Dogs con una nueva historia: una novela digital creada por Ubisoft en colaboración con el prolífico autor, y pionero del movimiento ciberpunk, John Shirley. John Shirley transformó de forma natural la atmósfera de Watch Dogs, el mundo del pirateo y de la no tan ficticia Chicago, en un thriller que combina crímenes de alta tecnología y una combinación de personajes conocidos y desconocidos. La novela presenta a Mick Wolfe, un veterano, que se ve atrapado en un peligroso juego en el violento e hiperconectado submundo de Chicago. Basado en el videojuego Watch\_Dogs.
