

The High Price of Secrets (Mills & Boon Desire) (The Master Vintners, Book 4)

Protecting his foster parents means everything to Finn Gallagher. So when stunning Tamsyn Masters appears on his doorstep, looking for her mother, he does what he has to do—he lies to her. It's not as if Tamsyn hasn't done worse. And if a harmless seduction will keep her where he wants her, why not? Now Finn has another secret: he's falling for Tamsyn. She's not what he thought, and time is running out. The choice is clear: Tamsyn or the truth. Because he can't have both.
