

## Zippered Flesh: Tales of Body Enhancements Gone Bad!

Monstrous transplants. Appalling amputations. Bizarre implants. Nightmarish forms of body enhancements. Disturbing, perverse, often gut-wrenching stories--all between the covers of this anthology. Here are 20 tales by some of today's best horror, suspense, and science fiction writers, including Graham Masterton, John Shirley, Scott Nicholson, Michael Laimo, Lisa Mannetti, L.L. Soares, Armand Rosamilia, Aaron J. French, Christopher Nadeau, Michael Bailey, Adrienne Jones, Charles Colyott, J. Gregory Smith, Michael Louis Calvillo, Jezzy Wolfe, Jonathan Templar, P.I. Barrington, Elliott Capon, Rob M. Miller, and Weldon Burge. The stories are not for those who are faint of heart or squeamish, or who are easily offended by nasty language, bloody violence, and freakish body augmentations. You've been warned!
